We, who are now the Senior Class of June, Nineteen hundred and fifty-one, having reached the point of no return (unless invited to see how PBHS looks in Sept.) must surrender, though it causes us great pain, some of the mementos that have been sacred thus far to our hearts and minds as well as our lockers. Before we individually part with these treasured things we, as a class, have several things to leave . . .

To Mr. Harris . . . we leave a school that can be evacuated in three seconds flat.

To Mrs. Anderson and Mr. Price . . . memories of the best reasons we could dream up for not being where we should have been.

To Mr. Holt . . . the receipts for all the senior bills which have all been paid.

To the coaches and gym teachers . . . the Sophomores and Junior Class that they may find many future champs among them.

To Miss Carpenter . . . our choir robes to be worn by students that might even prove to be better than we are in musical ability.

To Mr. Swyers . . . musicians of such capabilities that they could never strike a sour note.

Last but not least, to our home room teachers the entering Sophomore Class to teach, mold and direct as they have us.

HISTORY of the CLASS of 1951

The time has come for us to pause and take inventory of ourselves. The things accomplished have been many. Some of these have been done with ease, others resulted in triumph only after great effort in overcoming many obstacles.

We pause also to make note of the happenings of the last years so that we might read and remember in future days.

In September 1948, we entered Palm Beach High School feeling a little unsure of ourselves, but at the same time proud that we were finally in senior high. The first weeks were taken up with a thorough indoctrination into high school life, books issued and classes assigned. Thus began our first year.

But books and classes were not the only new things. There were clubs, the band, football games, as well as softball and basketball, which crammed our days to the fullest. Then we organized and officially became the Sophomore Class.

The days before election were filled with campaigning. Election day came and with it our choice as officers, John Kirk, Lincoln Knowles, Patsy Gibson, Ray Motley as president, vice-president, secretary, and treasurer, respectively.

We then settled down to the business of English grammar and literature, history and perhaps a foreign language. Except for interludes such as the sophomore beach party and the Spelling Bee, which was won, incidentally, by Patricia Earnest and Lawerence Morton, we led a very peaceful existence as sophomores.

HISTORY of the CLASS of 1951

The following September, we entered the second stage of our introduction to higher education. We were now well familiar with the routine of school life. We were juniors. We joined things like the Frond Staff and the athletic teams. We delved deeper into the intricacies of English and history. Extra curricular activities included the junior play, **Love Your Neighbor,** as well as the Junior-Senior Prom. As juniors we had a very successful year led by Ned Davis—president, Shirley Harper—secretary, and Jimmy Parkey, treasurer, as our elected officers and Mrs. Hardy as our advisor.

With September of 1950 we began the last stage of our evolution from adolescents tc young adults. This year, our last year on the Hill, has been filled with many things. For the last time we were assigned rooms and books. We held our last school election this year, watched our last ball games as students. With Jimmy Parkey, Walter Hannum, Pat Baird and Melba Helms as our class officers, and Mr. Nick as advisor, we proudly presented our Senior Show, took part in the Junior-Senior Prom as upper classmen, and participated in Senior Skip Day. In the spring, senior placement exams challenged us, but we licked them and proudly stepped into our caps and gowns. And so we left to take our place as Alumni of Palm Beach High School.

ALMA MATER

On the city's western border
Reared against the sky
Proudly stands our Alma Mater
Dear old Palm Beach High
Sing her praises, send them upward
Over hill and dale
Here's to thee dear Palm Beach High School
Hail to thee, all hail
Into the world we soon will travel
After school is done
Still will stand our Alma Mater
Proudly looking on

JUNIOR CLASS HISTORY

Let us go back to that "red letter" day in 1949 when we approached the Hill with many doubts, but with hopeful hearts. From the four corners of the city we gathered to travel as one, the Class of '52. After the first few weeks of orientation we began to act and feel like the high school students we were. We were like a group of stars with some to shine a little brighter than others.

One of the first steps that we, as a class, took was to choose a capable and able group to lead us through our sophomore year: Carroll Peacock, president; Bill Parham, vice-president; Arline Atkins, secretary; Steve Holzapple, treasurer. We were happy to have Mrs. Frances Hennessey as our class sponsor. We elected as most popular that year Isabel Garrido, Arline Atkins, Sally Hamner, Ann Martin, Steve Holzapple, Bill Parham, Richard Hawthorne and Carroll Peacock.

Pat Vale heaped honors on herself by winning the Sophomore Spelling Contest, with Donald Prince close on her heels as runner-up. Our Sophomore Hop was a big success, as was our beach party, which was held at Lake Worth beach in May.

This year we have again elected a fine slate of officers to guide us through our second year on the Hill: Richard Hawthorne, president; Jack Hardy, vice-president; Joan Lund, secretary; Virginia Real, treasurer. Our choice for class sponsor this time was the genial Mrs. Mary M. Hardy. We chose Ann Martin, Nancy Paty, Virginia Real, Janet Lifsey, Arline Atkins, Sally Hamner, Carroll Peacock, Bill Parham, Steve Holzapple, Jack Hardy, Dick Hawthorne and Bob Murphee as the most popular members of the junior class.

Our play, But Fair Tomorrow, was presented on February 2, and was a huge success. George Blodgett, Donna Swyers, and Betty Ellis, well supported by the rest of the cast, made us all proud. The Junior-Senior Prom and the annual beach party were two more events enjoyed by everyone, and they certainly will never be forgotten.

Now we come to the end of our first year as upper classmen. Before some of us realize it, we will be embarked on our final year as full-fledged seniors. Let us all strive to make the Class of '52 the best ever.

SOPHOMORE CLASS HISTORY

The under dog class at Palm Beach High School, the Class of '53, began in a sensational way. We were covered with the confusion that is found every year in the sophomore class on the hill. There was advice on which subjects and teachers to take from the experienced upper students. Of course there was the complicated system of the never ending desire to skip class. However, every one survived, being only a little worse for wear and feeling perhaps a little more mature and full of pride for their school, Palm Beach High.

The first major event of the sophomores' high school career got under way in the election of class officers. After a week of political toil for the candidates the big day arrived and the results were as follows: Jimmy Booth, president; Malcolm Knowles, vice-president; Marilyn Hardwick, secretary; Ronnie Belk, treasurer. It has been rumored that the officers have been one of the best groups seen on the hill in a long time.

The weeks slipped by and certain members of the class made every one stand up and take notice. Making their way to the fore at Palm Beach High School with their personality plus, the eight smiling and confident sophomores rated the most popular were Natalie Baird, Ellen Francisco, Marilyn Hardwick, Jackie Tarver, Jimmy Booth, Jim Fogleman, Ronnie Belk, and Don Rott.

The number one social event of the year for the class was the Sophomore Hop at the George Washington Hotel on March 2 with all the credit going to Mr. Young and the representatives of the home rooms. They spent many long hours of nerve-racking planning. The class picnic, too, is a well-remembered occasion.

The sponsor of the class, Mr. Young, did an excellent job of directing and making the class an active and smooth working organization.

There was not a single student of the sophomore class that could not say that this had not been the most interesting and enjoyable year in his life. Every student is looking forward to the next two years at a great school.

THE AMERICAN WAY PAYS OFF— by REDDY KILOWATT Your Electric Servant

1

WHY WILL ONE OF THESE BOYS EARN $24,000 MORE THAN THE OTHER ONE?

2

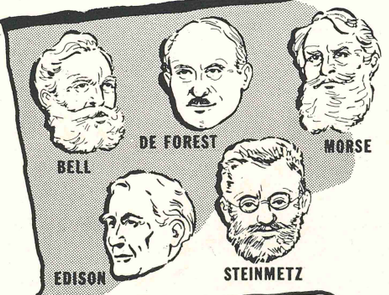
FIGURES show that the average high school graduate earns $24,000 more during his working life than one who drops out before graduation...

COLLEGE GRADUATES DO EVEN better!

NOT ONLY THAT BUT...

3

EDUCATION fits you for careers in PUBLIC SERVICE...as in the field of electricity where American genius has given the world electric light and power, telephones, radio, movies, phonographs, scores of time-saving, work-saving services to make a better, brighter world in which to live.



Under the American Way...① you're free to finish your education along any lines you want... ② you're free to choose your own career...and go as far in it as your talents and abilities will let you -- So FINISH SCHOOL and then

THE SKY'S THE LIMIT!

Each year more and more high school and college graduates are finding their future with the business-managed electric light and power companies of America.
